Since 1992, Happy Days Children's Charity has helped over 220,000 disabled, sick and vulnerable children across the UK with holidays, day trips and magical experiences.

June is our Dance to Make a Difference month - but you can get involved at any time of year! Join thousands of other people across the UK having fun, getting fit and improving the lives of children with additional needs.

“Movement lifts the spirit, strengthens the body and stimulates the mind. So join in with Happy Days and Dance and Wiggle to help provide magical experiences for courageous children while also helping yourself”

Wayne Sleep

“Looking forward to a fun time doing the Dance Wiggle for Happy Days Charity! I can't think of a better way to raise funds and awareness for a fabulous cause. Happy Wiggles!!”

Bonnie Langford

### How It Works...

However you choose to Dance to Make a Difference, there are lots of ways to get involved. Here are a few ideas, but feel free to be creative!

- Organise a dance or disco at work or with family and friends
- Mobilise your exercise class or Zumba group into a force for good
- Does a Flash Mob take your fancy? Organise your own to help raise awareness of Happy Days
- Taking up Salsa classes or Ballroom dancing? Turn your swing into sponsorship
- Speak to your local club and see if they'll donate a percentage of proceeds from the night, or put out collection boxes for the evening
- Would Dad look good in a leotard? Brave the embarrassment and help raise funds by learning a new dance
- Whatever you do, send us your videos and pictures or show your support #DanceWiggle
