**The smallest act of caring has
the potential to turn a life around...**

Objects and Activities

Objectives and aims

The principal objectives of the Charity are:

1. to help and educate young persons, through their leisure-time and holiday activities, so as to develop their physical, mental and spiritual capabilities that they may grow to full maturity as individuals and that their conditions of life may be improved.
2. to advance the education of young people by the provision of facilities for holidays.

Public Benefit

The Charity exists for the public benefit and our Memorandum and Articles of Association commit us to providing respite breaks through leisure and holiday activities for children with special needs.

The Trustees have given regard to the Charity Commission's guidance on public benefit when setting the aims and objectives for the year.

The main policies adopted are respite break family holidays of a 2 - 4 night duration for children with special needs, i.e. children who are sick, disabled, abused, neglected and/or disadvantaged by poverty and children who have a life limiting condition, to a variety of destinations both in the UK and in day trips to theme parks, theatres, zoos and other attractions for groups of special needs children throughout the UK.

The children are nominated in several ways:

- a) Through Social Services
- b) From schools/centres for children with special needs
- c) From doctors, nurses and health visitors
- d) From parents and/or guardians
- e) Support groups
- f) Women's refuge centres
- g) Other Charitable organisations

There have been no material changes in the policy of the Charity in this period.

Volunteers

The Charity receives no material donated services and places a minimal reliance on volunteers.

Achievement And Performance

Charitable activities

This past year has been an extremely difficult time due to the pandemic. This has had a major impact on our income and in carrying out many of our activities. Despite this we are very pleased that however arduous this journey has been we have managed to carry out some activity, in the main such as cinematic theatre performances, art activities and family breaks. We look forward to increasing the number of different activities as we move forward coming out of the pandemic restrictions.

The number of children helped was 23,943 (2021: 10,629) children. 19,945 children were able to experience a performing arts production. 2,648 children went to either a theme park, zoo, animal park, seaside or place of interest. The Charity provided family breaks for 326 children and their families to various destinations across the UK. We also enabled 1024 children to benefit from a group activity holiday to various centres across the UK, and also a few abroad.

We have been able to give some of the most needy and vulnerable children in our society the magic of live theatre, educational trips, outings of pure fun and excitement to many diverse attractions across the whole UK. Respite breaks were arranged for families with special needs children who were able to spend some quality time together in a more tranquil setting. Many of the children have complex medical problems and some sadly have a life limiting condition. Every positive experience that can be brought into a child's life is so valuable in what can be a very uncertain future. We wish to express our thanks and gratitude to all our donors - for their continued and invaluable support, enabling us to help a large number of children. Not forgetting any community foundations, companies, individuals and Grant Making Trusts for their kind support e.g. The Big Lottery, Awards For All and the Freemasons across the UK to name but a few.

The Charity to date has helped in excess of 320,000 children across the United Kingdom to attend many diverse attractions, to enable the children's lives to be more enriched and that they have experienced something positive that can be built on towards their future development. For many of the children it will be a first time experience outside of their normal environment, which will broaden their outlook and help improve their social skills.

We are very grateful for the continued support in the coming year from various trusts, companies and individuals. We are determined to reach as many children as possible who need our help. We are pleased to hear positive feedback from families and groups who have had family breaks and outings. This helps us to evaluate the work we do and that we can ensure that the types of activities undertaken are of great benefit to the children, not just with the immediate effect but with the longer term benefit of renewed strength of spirit, positive well being, confidence and forward going thinking. Happy Days is very keen to benefit as many children from poor socio-economic backgrounds and minority groups, thereby creating harmony and integration into the community.

As we approach the new financial year we do so with optimism and determination that we will help more children whose daily routine and world have been turned upside down over the past year and are in great need of a positive experience to improve their well being.

What is Happy Days?

Happy Days Children's Charity was established in 1992 as a national registered charity.

Happy Days has gone from strength to strength. To date over 331,000 children have experienced the gifts of happiness and hope these holidays and trips provide.

Our Aims, Mission & Dreams

To provide holidays, residential trips, day trips and visiting theatre performances for children & young people who have disabilities or life limiting conditions or who have been abused and young carers who are resident in the United Kingdom.

The holidays & trips help to develop the children physically, mentally and spiritually and bring them happiness, excitement and fun!

Days Out

Our days out are legendary providing self-confidence, self esteem and an opportunity for social interaction. Every year literally 1,000's of children enjoy days out to Farms, Zoos, Theme Parks, Museums and the seaside.

Holidays

The holidays are a great morale booster, our travellers come home with a more positive attitude which invariably sparks an immediate improvement in their physical and mental attitude. 100's of children enjoy holidays every year.

The Arts

We provide wonderful performing arts experiences for children with special needs. Last year alone 1,000's of children experienced the magic of live theatre.

...Whenever you doubt yourself remember you made a difference to me...

they learn to like themselves**

Financial Review

Reserves policy

Reserves now stand at 5 months of expenditure, part of which is for future activity as we move away from current restrictions and to ensure that the charity has sufficient funds in place as the furlough scheme and other government support has now ended.

Total incoming resources for the year ended 31st March 2022 amounted to £817,358 (2021: £677,747). Total payment and support costs for respite break family holidays and leisure time activities of £572,872 were expended during the year to 31st March 2022 (2021: £281,361). At the year end Unrestricted Funds carried forward amounted to £285,721 (2021: £230,593). Total restricted income was £410,265 of which £453,926 was expended during the year. This left an unexpended balance of £153,069 at 31st March 2022 (2021: £196,730).

The Charity took out a bounce back loan of £50,000 in 2021 which has been repaid this year.

Happy Days is very dependent on income from the general public and business sector alike. Happy Days does not benefit from local government grants and is solely dependent on its own fundraising.

The charity's funds have been applied as follows:

1. To provide funding towards residential activity for groups of special needs children within the accepted criteria.
2. To provide day trips/group outings to children within the accepted criteria.
3. To provide trips to performing arts productions and visiting theatre performances to children within the accepted criteria.
4. To the running costs of the families and day trips department which enables the above activity to take place.
5. To the costs of the Charity's fundraising activity and further expanding the fundraising activity.
6. To pay for the running of the Charity.
7. To setting aside sufficient reserves which may be called upon in the eventuality of priority cases, or an emergency such as the recent pandemic.

Future Plans

The Charity remains cautious in the present financial climate, but still hopes to help more children in the next year, and will be seeking to gain new donors. This will help to create a steady income for the Charity. Happy Days is looking forward to working with corporate sponsors and grant making trusts and for many children to benefit as a result.

The Charity intends to help groups of children who are suffering from life-limiting conditions by way of wonderful days out in addition to the holidays presently undertaken.

The demand for help for children falling into the Charity's criteria is ever on the increase. The Charity intends to continue its policy for increasing the amount of day trips/group outings. The trustees wish to see children benefiting from inner city areas and minority groups and are keen to invite applications from such groups, thereby creating harmony and integration into the community. The Charity wishes to encourage the referrals of families with children who have special needs on low incomes/in receipt of benefits to apply for assistance. We also wish to see the children benefiting from the day trip activity to be more involved in the actual planning and evaluating of the trip activity.

It is felt that providing such activities for the children within the criteria stated, who are often in despair, will help promote greater spiritual well being. This will encourage renewed energy and determination to tackle the ongoing situation or to continue to cope with tragic circumstances.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). 1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Governance costs

The Charity has identified the major costs of governance as both external costs related to the Charity Auditors and software providers and a proportion of the costs of the Chief Executive. These salary costs have been estimated on time spent on trustee related activities.

Allocation and apportionment of costs

Staff salaries are allocated on the following basis:-

Fundraising 34% • Direct charitable expenditure 30% • Management and administration 36%

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Fixtures and fittings 25% on reducing balance • Motor vehicles 25% on reducing balance

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Notes to the financial statements - Continued

For the year ended 31 March 2022

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the Balance Sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is shorter.

The interest element of these obligations is charged to the Statement of Financial Activities over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
